

Saturday Teen Mentorship Initiative Program Youth Creative Career Empowerment (Y.C.C.E.)

The Wellstone Center, 179 Robie St., Saint Paul
Every other Saturday | 11 am-3 pm | Starts May 9

Turn your creativity into real-world skills and career opportunities. This free, six-week Youth Creative Career Empowerment (Y.C.C.E.) program is a Mish A Foundation program delivered in partnership with Neighborhood House. The program equips high-school youth of color with creative, technical, and leadership skills while introducing them to the Creative Career Pathways Ecosystem™, connecting their creativity to real-world career pathways.

In this program, you will:

- Create a real portfolio
- Learn industry tools
- Work with professionals
- Showcase your work

Apply by May 1 to reserve your spot!

Two cohorts available; only 25 students per cohort

Must be a high-school-aged youth of color (grades 9-12)
