

Denise and her family are participants at Neighborhood House. At our 2023 Revel event she spoke from the heart of her experiences: "Neighborhood House is not just a community center. It's a second home. I grew up coming here almost every day. My mom, a hard-working woman raising me and my brother alone, signed us up for many programs."

Neighborhood House provided crucial support. "Thanks to Neighborhood House, my family met our basic needs and found success," Denise said gratefully. She acknowledged the broader impact of the work being done. "Thank you for being here today. People depend on Neighborhood House for food, winter gear, English classes, youth programs, and more. Every day, lives change here."

"Thank you for supporting Neighborhood House and making a difference in so many lives."
